## CAREER OBJECTIVE

Enthusiastic and self-motivated 3rd-year Computer Science undergraduate at the University of Dhaka with strong proficiency in full-stack development. Skilled in Flutter, Java, C++, and Node.js, with hands-on experience in building mobile applications. Eager to contribute to impactful tech solutions while continuously learning and growing as a software engineer.

## TECHNICAL SKILLS

### Programming Languages:

Java, C++, Python, SQL, Node.js

### Mobile App Development:

Flutter (Dart)

### Web Technologies:

HTML, CSS, JavaScript

### Database & Tools:

MySQL, SQLite, Git, GitHub, Firebase

## PROJECTS

### SmartLife App – Flutter

2024

- Developed an expense tracking app with daily/monthly target settings, Bengali-language alerts, and smart spending insights.
- Used Firebase for real-time data storage and authentication.

### Oitijjho – Flutter

2024

- Built a cultural heritage app to explore Bengali traditions, history, and local cuisine.
- Designed intuitive UI and navigation for enhanced user experience.

## EDUCATION

### Bachelor of Science in Computer Science and Engineering

University of Dhaka

3rd Year Undergraduate | Expected Graduation: 2026
